

NEW EMERALD CITY SMOOTHIE LOCATION DRIVEN BY A PASSION FOR HEALTH
Smoothie Franchise joins the list of Tenants in Northcut Landing

MERCER ISLAND, Wash. – Local triathletes, Amanda and Travis Kenyon, bring their passion for health to the new Emerald City Smoothie location in the prestigious Northcut Landing. The husband and wife duo, opened their store as one of the initial tenants of the new shopping center located at 4915 25th Avenue NE across from University Village. The couple’s fervor for health and fitness is the driving force behind the new store.

"We are incredibly excited about the opportunity to further expand the Emerald City Smoothie concept in Washington and help local residents fit great tasting nourishment in their everyday lives," said Amanda Kenyon. "It’s a great product that we believe in that’s big on taste and nutrients while low on calories and fat."

The Kenyons’ lifestyle has always revolved around health and fitness through training, playing sports and coaching sports. With a menu board of more than 40 recipes, each designed to help reach a health or lifestyle goal, from boosting immune systems and giving energy, to losing weight and building muscle, Emerald City Smoothie is a way for the couple to help the local community be healthy.

"Not all smoothies are created equal—consumers need to read the fine print and make sure that they’re not getting a novelty beverage full of sugars and fats," Travis Kenyon added. "Emerald City smoothie blends fresh fruit and natural ingredients that offer as many vitamins and minerals as can be found in a well-balanced meal—all in a convenient, tasty drink."

Some of the most popular items include the Lean Out, Guava Sunrise, Berry Berry and Fruity Supreme. Every Emerald City Smoothie employee is trained to be not only friendly and fast moving, but helpful and knowledgeable on the full product line and the benefits they offer. The company is dedicated to fitting great tasting nourishment in their customers’ everyday lives.
